COVID safe return of 4x4 expo sees happy campers flock to Brisbane Showgrounds

Queensland's largest outdoor lifestyle and adventure event, The National 4x4 Outdoors Show, Fishing & Boating Expo opens at the Brisbane Showgrounds today.

Over the next three days more than 200 industry leading brands and retailers will exhibit thousands of products. These include off-road camper trailers, caravans and tents, new model 4WDs and aftermarket accessories, camping gear, fishing gear, and so much more.

There will be something to keep all family members entertained with adrenaline-pumping entertainment from special guests including Barney Lewis from Legendex, live jaw-dropping demos and a Reptile Kingdom where kids can meet some fascinating creatures.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said they are thrilled to see big events return under a COVID safe plan.

"The Brisbane Showgrounds has played host to The National 4x4 Outdoors Show for almost 30 years which is a credit to our dedicated staff and versatile venue," he said.

"With more than 20 flexible indoor and outdoor spaces, the Brisbane Showgrounds is the perfect venue for large outdoor shows, including the all-new Festival Village as part of the Brisbane Cycling Festival later this month".

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site.

To keep visitors COVID safe at this year's 4x4 Show and comply with contact tracing requirements, attendees must purchase their ticket before the event. Tickets will not be available to buy at the door.
