Get your motor running at RACQ Motorfest

RACQ's Motorfest will celebrate all things motoring when it returns to the Brisbane Showgrounds this Sunday.

An electric car that can power a coffee machine and a rare vintage vehicle designed to be drawn by a horse when its engine stops will be two of the highlights at Motorfest 2022.

The motoring showcase will have something for everyone, including roving entertainment, kids' rides, food stalls and an array of wonderful prestige, vintage, unique and collector vehicles, as well as the latest in vehicle and transport technology.

The event will not only celebrate motoring history but will look to the future with an expanded Future Zone featuring innovative mobility technologies that can help Queenslanders live and move more sustainably.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said Motorfest was one of Queensland's most exciting events for car enthusiasts.

"It's fantastic to welcome back RACQ Motorfest which celebrates the state's proud motoring heritage and showcases an impressive collection of unique vehicles across the showground's 20 hectares," he said.

"With more than 20 versatile indoor and outdoor spaces, the Brisbane Showgrounds is the perfect venue for large outdoor shows, such as the RACQ Motorfest".

Entry is via a \$2 gold coin donation at the gates with kids under 3 free, with all funds benefitting the RACQ Foundation. The event runs from 10am to 3pm.

For more information about the RACQ Motorfest visit: <https://www.racq.com.au/about-us/community/sponsorships/racq-motorfest>

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit www.brisbaneshowgrounds.com.au.
