

Remote Presenter Package

MICROHIRE

Your Event Specialist

The world of events has changed. Microhire simplifies hosting hybrid, virtual, and in-person events while giving you the flexible building blocks you need to craft an engaging event experience for nearly any type of event.

Our Remote Presenter Package is one of these tools.

Microhire will organise the delivery of everything your presenter will need to deliver a professional keynote from any where in the world*.

Enhance your event experience with tailored digital solutions

List of equipment and services:

- **High End Streaming Laptop** PC or Mac depending on preference. Pre-loaded with your video conferencing service.
- **How-to video guide** pre-loaded to walk you through setting up the equipment.
- **1 Hour VC session** prior to your event with one of Microhire's skilled hybrid event technicians, to ensure that you are completely comfortable and ready for your presentation.
- **Full HD Webcam** Stream and record vibrant, true-to-life video with smooth motion and crisp details in full HD 1080p at 60 frames per second.
- **Studio Quality Microphone** to deliver your message with crystal clarity
- **Studio Quality Ring Light** to take your presentation to the next level
- **Collapsible Green Screen** for instant immersion with pre-loaded virtual backgrounds optimized for camera chroma keying
