Get ‘tow-tally’ ready for summer holidays on the road

Caravan and camping lovers are expected to roll into the Brisbane Showgrounds tomorrow for Queensland’s last chance to grab a deal on an Australian camping holiday before the summer.

The Let’s Go Brisbane Caravan & Outdoor Sale showcases caravanning and camping essentials from beginner basics to extreme caravanning needs.

More than 100 exhibitors will showcase the very latest caravans, motorhomes, campervans, camper trailers, tent trailers, recreational products, and accessories during the four-day event.

Caravanning Queensland’s popular Weight and Towing Masterclasses will be at the show, with favourites Jeff Palmer (Tow-Ed), Gary Gardiner (Total Towing Setups) and Dave Lewis (Weightcheck) providing demonstrations.

The training presenters will arm show-goers with vital information and tips to ensure they hit the road safely and with confidence when travelling both on and ‘off-road’.

One lucky show visitor will also have the chance to win the Ultimate myCOOLMAN Summer Pack valued at over \$2,100.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said he was excited to host one of Brisbane’s most popular leisure events once again.

“With summer just around the corner it’s a perfect time for families to start planning their Christmas caravan and camping trips,” Mr Coyle said.

“We’re expecting families to make the most of these warmer days, strolling through the exhibits at the Showgrounds and visualising their summer holidays with loved ones”

“Caravanning Queensland has been holding their events at our Showgrounds for an extraordinary 44 years and we’re very proud to once again host this fantastic event”.

The outdoor sale runs from October 27-30 from 9am-5pm (Thursday, Friday, Saturday & Sunday). A one-day pass is \$15, two-day pass \$25, children are free and concession tickets available at <https://www.caravanqld.com.au/>

The Brisbane Showgrounds precinct is located 1.5km from Brisbane’s CBD and is Queensland’s largest indoor/outdoor events site. Visit www.brisbaneshowgrounds.com.au
