Celebrate the change of season at the Finders Keepers market

As the days get shorter and the nights get cooler, enjoy shopping for your favourite cosy knits and artisanal accessories at the Finders Keepers Brisbane Autumn / Winter 2022 Market at the Brisbane Showgrounds starting this Friday.

[Finders Keepers](#) is Australia's leading curated marketplace of designers and entrepreneurs, featuring the work of independent artists, designers and makers from all over the country.

The three-day market will feature the works of talented artists and designers, including innovative fashion (adults and kids), fine jewellery, hand-crafted ceramics, letterpress stationery, design objects and more, with a huge focus on ethical, sustainable and local.

Design fans can meet their favourite Australian artists and creatives, including Brisbane artist Ingrid Bartkowiak, Cleveland ceramist Carys Martin, and Melbourne artist and jewellery maker Yumi Ando.

Fashionistas will enjoy snapping up wintery threads from the sustainable label Kateri, limited edition garments from Massuri, Australian merino wraps and luxury silk scarves from Earth Fibre, and beautifully detailed, trans-seasonal womenswear from Frske.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said the RNA was delighted to once again host the hugely popular and creative Finders Keepers Market.

"We enjoy hosting this market which connects shoppers with local crafters and creatives, from jewellery makers, and illustrators, to fashion designers and ceramicists," Mr Coyle said.

"This certainly will be the place to discover an array of mindfully made and thoughtfully designed treasures."

The Finders Keepers Market will be held this Friday 20th May from 4pm - 9pm, Saturday 21st May 9am - 4pm, and Sunday 22nd May 9am - 4pm at the Exhibition Building at the Brisbane Showgrounds. Entry is \$5 per person with kids under 12 FREE.
