

GOOD THINGS 2018

Dear Resident

We are writing to let you know of our event called "Good Things" to be held at Brisbane Showgrounds on Sunday 9th December 2019.

The event will open at 10am and close at 10pm. This contemporary music event will have 4 stages of amplified music and provide food, drink and market stalls.

We are expecting an attendance of 15,000 people.

Sound checks for amplified sound:
Saturday 8th December 3pm to 6pm
Sunday 9th December 9am to 10am

We have worked closely with BCC, Police, the Venue and various stakeholders to minimise the potential impact to residents in the local area, including Sound Management and Traffic Management Plans.

We will also have a complaints hotline on the day of the event and you are welcome to contact us if you have any concerns.

Please telephone 1800 781 755. This number will only be available on the event day.

If you have any further queries about the impact of the event and the nature of the event you can go to our website for more detailed information at www.goodthingsfestival.com.au
For any specific information please email events@media-rare.net.

Thank You!
