Elite Muay Thai talent to take centre stage at the Brisbane Showgrounds

Some of the world's best Muay Thai fighters will be in action at the Brisbane Showgrounds this Saturday for Honour Premier League.

More than 1,000 people are expected to attend the event in the Royal International Convention Centre to experience the thrill and excitement of live combat sports.

Honour Premier League will feature three ISKA world title fights, two highly anticipated Australian title bouts and for the first time ever two Honour show titles. The headline bout will see Australia's Brandon Spain take on New Zealand's Dominic Reed for the vacant ISKA World Super-featherweight Muay Thai title (59kg).

Attendees can expect an action-packed day filled with Muay Thai talent from around the globe, delicious food and an electric atmosphere. The event is the brainchild of passionate martial artists Dwayne Glasgow and Michael Reberger, who continue to elevate the profile of the sport in Australia.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said it was the first time the event had been held at the Brisbane Showgrounds.

"We're thrilled to host Honour Premier League at the Brisbane Showgrounds and provide a premium venue that can support the growth of this popular event," he said.

"We look forward to welcoming fans and athletes to what promises to be a high-energy and memorable showcase of Muay Thai."

The event will run from 1pm to 11.30pm. Tickets for Honour Premier League's night show have sold out, but tickets are still available for the day show by [clicking here](#).
