Car show to bring Australia's best builds to the Brisbane Showgrounds

Australia's best curated car and motorcycle exhibition is gearing up to return to the Brisbane Showgrounds this Saturday.

Unmarked Brisbane will bring more than 200 of the country's standout builds to Sideshow Alley, including JDM (Japanese Domestic Market) icons, European performance cars, immaculate classics, super cars, stance builds, race cars and custom bikes.

Car enthusiasts can also catch the action of Dyno Wars, where Brisbane's builds will go head-to-head on the rollers to see which can produce the most power, as well as check out a special Liberty Walk display.

More than 30 automotive, lifestyle and merchandise vendors, plus food trucks and live DJs, will add to the atmosphere throughout the day.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said it was the second time the event had been held at the Showgrounds.

"Following the success of Unmarked Brisbane in December 2025, the event has expanded on its indoor and outdoor footprint in Sideshow Alley," he said.

"We're looking forward to welcoming thousands of car lovers to the Showgrounds this weekend and seeing the automotive community come together to celebrate their shared passion."

The event will run from 12pm to 8pm (early access starts at 10am), with tickets available online.

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit www.brisbaneshowgrounds.com.au
