Car show shifts into high gear with biggest event yet at the Brisbane Showgrounds

Brisbane's largest car show will drive into the Brisbane Showgrounds tomorrow, with its continued popularity fuelling its expansion across more of the venue's footprint than ever before.

Performance Pulse Expo will feature more than 200 elite vehicles showcasing everything from JDM and drift machines to euro, classics, muscle cars and more, along with over 80 exhibitors offering exclusive show-day deals.

This year, the event will take over several additional venue spaces including a new Classic Cars & Bikes Section inside the John Reid Building, showcasing restored classic vehicles and vintage motorcycles.

The event will also feature a heart-stopping FMX Riders Stunt Display on the Main Arena, an area to watch cars being bolted up and tested live in Building 8, a Hot Wheels Interactive Zone for the kids, plus DJs and food trucks.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said the venue was proud to support the growing event.

"The event has expanded to include Alexandria Park, Building 8, John Reid Pavilion and the Main Arena, in addition to the Royal International Convention Centre and Exhibition Building," he said.

"As Queensland's largest indoor and outdoor events site, we're proud to be able to support events like Performance Pulse Expo as they expand and grow in popularity."

The event will run from 9.30am to 4pm on Saturday, with tickets available [online](#). Exhibition Station will be open for the event, with 50c train travel available.

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD. Visit www.brisbaneshowgrounds.com.au
