International piano sensation to perform at the Brisbane Showgrounds

World-renowned French pianist Richard Clayderman will captivate audiences at the Brisbane Showgrounds this Friday, as he brings his Timeless Romance tour to Australia.

Known for his signature interpretations of everything from light classics to contemporary and folk tunes, Clayderman will perform live in the Royal International Convention Centre, accompanied by his world tour string orchestra.

With more than 90 million albums sold, Clayderman has been recognised by the Guinness Book of World Records as the most successful pianist in the world and has been awarded 267 Gold and 70 Platinum discs.

Dubbed The Prince of Romance for his emotive and romantic melodies, he has recorded more than 1,300 pieces over the course of his career.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said they were honoured to host one of the world's most beloved pianists.

"We're excited to welcome internationally acclaimed pianist Richard Clayderman, with Brisbane marking the first stop on his Australian tour," he said.

"Our historic venue provides the perfect setting for an intimate and memorable evening of live music."
