

Hybrid Event Packages

Remote Presenter

\$2,500*

**BRING REMOTE PRESENTERS IN VIA
THE WEB, PHYSICAL LOCATION
IS NO LONGER A RESTRICTION**

Presenter can't travel to the venue?
Include them in your meeting with HD vision
and audio via a dedicated link.

Package includes:

- Dedicated web link to your remote presenter's home or office with full technical support
- Remote presenter can show slides in the venue while controlling them remotely
- Two way transmission for questions from the audience in the venue for real-time engagement

Hybridise

\$3,500*

**BROADCAST YOUR LIVE EVENT
TO THE WEB TO EXPAND YOUR REACH**

Capture the meeting in the venue and broadcast
it out to a webinar platform or a branded webcast page
that is viewable from any device.

Package includes:

- Camera feed of your presenters & presentation feed switched and broadcasted
- Foldback monitor for any moderated questions from your online audience straight to the stage
- Brandable landing page if webcast options preferred
- Use your business's webinar license if preferred
- Online audience analytical report

Produced Hybrid Event

\$9,500*

**THE NEW NORMAL FOR DELIVERING BRANDED,
ENGAGING VIRTUAL COMMUNICATIONS**

Need to mix it up and deliver a polished message.
We can help you to produce a hybrid event
that is more akin to a news broadcast,
with up to 4 remote presenters.

Package includes:

- Hybridise package with two camera shoot
- 4 x remote presenter packages
- Compiling all feeds from the web and venue space into a branded frame
- Names & title graphics and transitions
