Car enthusiasts set for a wheelie good time

Drivers will have the chance to feel the power and excitement of a battery-powered vehicle in action with test-drive experiences on offer at RACQ MotorFest at the Brisbane Showgrounds this Sunday.

At this year's motoring showcase guests can enjoy a 15-minute electric vehicle test drive on a pre-determined route around the Showgrounds, as well as test rides of e-bikes and e-scooters.

RACQ Motorfest returns to the Brisbane Showgrounds to celebrate all things motoring, as well as catering to younger visitors with free kids' rides, free face painting, and roving entertainment featuring acrobats and stilt walkers.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said this Sunday car enthusiasts will be immersed in a sea of prestige, vintage and collector vehicles, including a spectacular showcase of the iconic Ford Mustang.

"To mark the iconic vehicle's 60th anniversary, there will more than 80 mustangs from across six different decades on display – providing an incredible insight into automotive history," Mr Coyle said.

"There is something for everyone at RACQ MotorFest with the event also including live music, a fashion parade, food stalls and special exhibits.

"This annual event provides the perfect opportunity to discover the latest in vehicle transport and technology, as well as a showcase of RACQ's rich motoring tradition.

"With more than 20 versatile indoor and outdoor spaces, the Brisbane Showgrounds is the perfect venue for large outdoor shows, such as RACQ MotorFest."

RACQ MotorFest 2024 is on at the Brisbane Showgrounds this Sunday (June 16) from 10am to 3pm.

Entry is just \$2 per person at the gates (free for kids three years and under), with all funds contributing to the RACQ Foundation's ongoing support of Queensland communities. For more information visit RACQ MotorFest – click [here](#).

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit www.brisbaneshowgrounds.com.au
