## It's craft o'clock at the Brisbane Showgrounds

Creativity is sure to be flowing at the Brisbane Showgrounds from Thursday when Australia's largest craft event series, CraftAlive, opens its doors.

The four-day CraftAlive event has something for every craft lover with specialist teachers set to deliver an array of classes from sewing to scrapbooking, catering for both beginners and advanced crafters.

An event highlight will be the only Brisbane viewing of the incredible 6.5m long quilt masterpiece 'My Australia' from the award-winning artist Helen Godden.

CraftAlive will also feature retailers selling the latest supplies, kits and equipment from across the country so attendees can stock up on all their crafting materials.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said that he was delighted to welcome CraftAlive to the Brisbane Showgrounds for the first time.

"We are excited to host an event that which encourages the Brisbane community to get creative," Mr Coyle said.

"Not only can attendees learn a new craft or hone their skills, they can also take home something they have created themselves."

CraftAlive will be held in the Exhibition Building from 9am to 4pm on Thursday through to this Sunday. To find out more and purchase tickets click [here](#).
